Note from Jim:

I apologize for getting the newsletter out late this last couple of weeks. I seem to have been caught in a busy season lately and hope now that I'm getting to catch up.

Scripture of the Week:

And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near. (Hebrews 10:24-25)

Quote of the Week:

"While women weep, as they do now, I'll fight; while children go hungry, as they do now I'll fight; while men go to prison, in and out, in and out, as they do now, I'll fight; while there is a drunkard left, while there is a poor lost girl upon the streets, while there remains one dark soul without the light of God, I'll fight -- I'll fight to the very end!" (William Booth)

Recommended Resource:

This is good stuff. Cameron Buettel does a critique of Rob Bell's Nooma video "Dust".

Questions & Objections:

This O&A comes from [The Evidence Bible](#).

O. How can people be happy in heaven, knowing that their unsaved loved ones are suffering in hell?

A. Skeptics who say this are trying to dismiss the reality of hell. They might like to think that life as we know it

couldn't get any worse, but the sufferings in this life will be heaven compared to the suffering in the next life -- for those who die in their sins. This life is the closest thing to hell that Christians will ever know, and the closest thing to heaven that sinners will ever know.

One-Day Way of the Master Training:

We would be glad to host a Way of the Master evangelism training for your church or small group. This one-day seminar is a proven, effective way to help people overcome their fear of witnessing and show them how to reach out to the lost. We will quickly equip those who attend to simply and effectively share their faith with family, friends, and strangers. What makes our training unique is when the classroom training is over, you have the option to hit the streets and immediately start to use the new tools you have just learned. The seminar consists of the following activities:

- Three powerful interactive messages that will equip the attendees in how to share the gospel effectively and biblically with anyone, anytime, anywhere.
- Quick Tips on how to have fun sharing your faith while overcoming your fears.

- Quick Tips on how to effectively witness one-2-one using the Way of the Master.
- Hands-on, in-the-trenches training with proven leaders.

The One-Day Way of the Master Training is **FREE** for the host and to all who attend.

** The Way of the Master has been commended by Franklin Graham, Dr. D. James Kennedy, David Wilkerson, Bill Gothard, John MacArthur, Ravi Zacharias, David Jeremiah, Joni Eareckson Tada, Josh McDowell, and many other Christian leaders.

Weekly "Fishing" Report:

Last Saturday was another rainy day, so our team headed to Denny's for coffee and some Bible study. It ended up being where God wanted us anyways.

Shortly after we got there, a man and his wife stopped at our table. He looked at our team sweatshirts and the Bibles we were reading and with a stern expression said, "You now it's not politically correct to be doing that here." I told him, "I guess I just have to decide if I'm going to please good or please man." He then smiled saying, "That's the right answer." He introduced himself as the pastor of Dayspring Baptist church. I told him about our street evangelism ministry and showed him the [Curved Illusion](#) tracts. He said he'd show them to his youth group that night, and I gave him some "[What happens to your My Space when you die?](#)" tracts to share with them as well. We exchanged cards and he said to call him sometime so we could have lunch together. Praise God! The church is only a couple of blocks down the street from my home and I've tried a few times to get introduced there. Once again, when God opens a door in his timing it's always that much easier and simpler. Isn't it?

We spent the next couple of hours digging into scripture and "sharpening our swords" while showing the [Curved Illusion](#) cards to waiters/waitresses and those brought to sit at tables or booths near us. It was a good time and we thank God for bringing us to labor for the gospel wherever we are lead.

Pray for the seed that was sown.
