Note from Jim:

The team will not be meeting this Saturday for street fishing.

Scripture of the Week:

"I have said these things to you, that in me you may have peace. In the world you will have tribulation. But take heart; I have overcome the world." (John 16:33)

Quote of the Week:

"If I am content to heal a hurt slightly, saying 'Peace, peace,' where is no peace; if I forget the poignant word 'Let love be without dissimulation' and blunt the edge of truth, speaking not right things but smooth things, then I know nothing of Calvary love." (Amy Carmichael)

Recommended Resource:

Check out this new video from the Way of the Master. It presents a powerful lesson using a rather surprising clip from the popular TV series ER. This has wonderful evangelistic potential, so let's use it all over the Internet.

AFTER EDEN

by Dan Lietha

The world's first language barrier problems actually came much earlier than the Tower of Babel.

Questions & Objections:

This O&A comes from [The Evidence Bible](#).

O. You are using scare tactics by talking about hell and Judgment Day.

A. In the late 1980s, TV commercials in the U.S. asked, "What goes through the mind of a driver who is not wearing a seat belt in a head-on collision?" Then they showed a crash dummy having its head crushed by a steering wheel in a collision, and said, "The steering wheel!" Those were scare tactics, but no one complained because they were legitimate scare tactics. That's what happens in a head-on collision if you are foolish enough to not put on a seat belt. To warn of hell is fearful, but it is absolutely legitimate, because the Bible says that it is a fearful thing for a sinner to fall into the hands of the living God.

One-Day Way of the Master Training:

We would be glad to host a Way of the Master evangelism training for your church or small group. This one-day seminar is a proven, effective way to help people overcome their fear of witnessing and show them how to reach out to the lost. We will quickly equip those who attend to simply and effectively share their faith with family, friends, and strangers. What makes our training unique is when the classroom training is over, you have the option to hit the streets and immediately start to use the new tools you have just learned. The seminar consists of the following activities:

- Three powerful interactive messages that will equip the attendees in how to share the gospel effectively and biblically with anyone, anytime, anywhere.
- Quick Tips on how to have fun sharing your faith while overcoming your fears.
- Quick Tips on how to effectively witness one-2-one using the Way of the Master.
- Hands-on, in-the-trenches training with proven leaders.

The One-Day Way of the Master Training is **FREE** for the host and to all who attend.

** The Way of the Master has been commended by Franklin Graham, Dr. D. James Kennedy, David Wilkerson, Bill Gothard, John MacArthur, Ravi Zacharias, David Jeremiah, Joni Eareckson Tada, Josh McDowell, and many other Christian leaders.

Weekly "Fishing" Report:

It was another rainy day on Saturday, but we were still able to give out 150 to 200 [Smart Cards](#) and [What If?](#) tracts before the weather caught up to us.

Once the rain hit, we went with our usual "Plan B" and hopped over to Elmer's to warm up over some coffee and sharpen our swords with some Bible study.

We're looking forward to the warmer sunny days ahead ... it's good "fishing" weather.

Prayer Points:

- Pray for me as the Team Leader this week.
 - "The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest." (Matthew 9:37-38, ESV)
