### Scripture of the Week:

It was for this He called you through our gospel, that you may gain the glory of our Lord Jesus Christ. (2 Thessalonians 2:14, NASB)

---

### Quote of the Week:

"God's grace cannot be faithfully preached to unbelievers until the Law is preached and man's corrupt nature is exposed. It is impossible for a person to fully realize his need for God's grace until he sees how terribly he has failed the standards of God's Law." (John MacArthur)

### Southern Oregon eXtreme Evangelism '07:

Crumpled \$100 Bill Tract

If you like the Million Dollar Bill, then you'll love the new [crumpled \\$100 tract](#). From either side it looks like a \$100 bill that's been dropped and stepped on. But it opens up to a 12 page booklet with a very thorough gospel message. (You can read the entire [text of the tract online here](#).)

### Questions & Objections:

This O&A comes from [The Evidence Bible](#).

O. Mother Nature sure blew it...

**A.** Hurricanes, tornadoes, floods, droughts, and earthquakes kill tens of thousands of people each year. Multitudes endure crippling diseases, endless suffering, and unspeakable pain. Many non-Christians credit a heartless Mother Nature for giving us all this grief. They fail to consider that "Mother Nature" has a Senior Partner -- Father God. However, if God is responsible for all this heartache, that presents an interesting dilemma.

If God is an "all-loving" Father figure, as we are told, we seem to have three choices:

- 1) God blew it when He made everything (He's creative but incompetent);
- 2) God is a tyrant, who gets His kicks from seeing kids die of leukemia;
- 3) something between God and man is radically wrong.

These are our choices ... and those who take time to consider the evidence will lean toward number three. Something between man and God is radically wrong, and the Bible tells us what it is. There is a war going on. We are told that mankind is an enemy of God in his mind through wicked works (Colossians 1:21). That's not too hard to see. Man is continually committing violent acts such as murder and rape, lying, stealing, etc., as the daily news confirms. He uses God's name as a curse word, while Mother Nature gets the glory for His creation -- unless there's a horrible disaster; then man calls that "an act of God."

An applicable acronym for WAR is We Are Right. Any country going to war does so because it has the conviction that it is in the right. However, a quick look at God's Law shows us who is right and who is wrong. We, not God, are the guilty party. If we want His blessing back on our nation and in our lives, we must make peace with Him, and that is possible only through faith in Jesus Christ.

### **Weekly "Fishing" Report:**

Darrin, David and I met up for street fishing on Saturday. We did a couple of sweeps along 6th Street and a loop through Riverside Park. There weren't as many people out as we would've expected, but God had his plans and we just made ourselves available. In the end we were able to give out a good number of gospel tracts and the slower pace allowed us the chance to buy a meal for a Christian brother in need.

**David shows the Curved Illusion tracts to a mother at the park.**

I picked up a one-2-two with a couple of teens named Matt and Jordan while at the park. They were the typical type of skateboarders that hang out around there, but contrary to looks they were very open to talk. We had a half-hour conversation about the gospel, salvation and the things of God. In fact, after I had turned off my MP3

recorder they had a few more questions and we wrapped up by looking at chapter three in the Gospel of John.

Meanwhile, Greg was down in Gold Hill at the Gold Dust Days parade and says he passed out at least 300 tracts while he was there. I thank God for you, bro!

Lord Jesus, thank you for another chance to labor alongside you in the fields!
