Note from Jim:

We won't be street fishing this Saturday. The 27th is Kelly and my 11th anniversary. I'll be taking my sweetheart out for a well-deserved date night.

Scripture of the Week:

For we are powerless before this great multitude who are coming against us; nor do we know what to do, but our eyes are on You. (2 Chronicles 20:12)

Quote of the Week:

"No one has the right to hear the gospel twice, while there remains someone who has not heard it once." (Oswald J. Smith)

Questions & Objections:

This O&A comes from [The Evidence Bible](#).

O. You are using scare tactics by talking about hell and Judgment Day.

A. In the late 1980s, TV commercials in the U.S. asked, "What goes through the mind of a driver who is not

wearing a seat belt in a head- n collision?" Then they showed a crash dummy having its head crushed by a steering wheel in a collision, and said, "The steering wheel!" Those were scare tactics, but no one complained because they were legitimate scare tactics. That's what happens in a head-on collision if you are foolish enough to not put on a seat belt. To warn of hell is fearful, but it is absolutely legitimate, because the Bible says that it is a fearful thing for a sinner to fall into the hands of the living God.

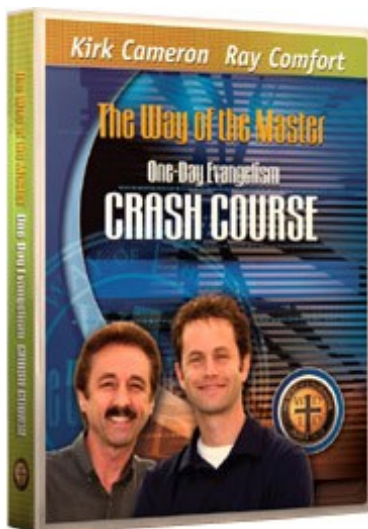

Weekly "Fishing" Report:

It had been raining on Saturday and though God blessed us by causing it to clear up by the time our team hit the streets there wasn't a lot of foot traffic downtown or at the park. We didn't pick up any one-2-ones, but collectively we still passed out a few dozen tracts. We gave out [Are You Under a Curse?](#) or the [God of This World](#) tracts while telling people to have a safe Halloween. Most everyone smiled and said "thank" you as they took them.

Our Lord is sovereign, so even when it's rainy and the number of people is lighter we can trust He's accomplishing what He wills. Pray for the seed that was sown. May the Lamb of God receive the rewards of His suffering!

One-Day Way of the Master Training:

We would be glad to host a Way of the Master evangelism training for your church or small group. This one-day seminar is a proven, effective way to help people overcome their fear of witnessing and show them how to reach out to the lost. We will quickly equip those who attend to simply and effectively share their faith with family, friends, and strangers. What makes our training unique is when the classroom training is over, you have the option to hit the streets and immediately start to use the new tools you have just learned. The seminar consists of the following activities:

- Three powerful interactive messages that will equip the attendees in how to share the gospel effectively and biblically with anyone, anytime, anywhere.
- Quick Tips on how to have fun sharing your faith while overcoming your fears.
- Quick Tips on how to effectively witness one-2-one using the Way of the Master.
- Hands-on, in-the-trenches training with proven leaders.

The One-Day Way of the Master Training is **FREE** for the host and to all who attend.

** The Way of the Master has been commended by Franklin Graham, Dr. D. James Kennedy, David Wilkerson, Bill Gothard, John MacArthur, Ravi Zacharias, David Jeremiah, Joni Eareckson Tada, Josh McDowell, and many other Christian leaders.
